

## Your Pathway to Further Learning

International College of Qld offers graduates of our Diploma programs educational pathways into higher education/university degree courses. Below is a list of pathways that currently exist. Graduates are also recommended to view current credit arrangements on the specific university's website.

### Credit Linkages and Pathway benefits for Students:

- Allow a person to better plan their study and career path in advance;
- Enable non-traditional entry to Higher Education by elevating a person's university selection based on their prior learning;
- Provide greater support for people transitioning between different academic levels, cultures and technologies;
- Build academic skills and confidence or progressively over time and facilitate life-long learning;
- Reduce the overall cost and duration of a degree;
- Allow students to use their prior vocational knowledge and skills to work their way through their degree and
- Reward a person with multiple qualifications in the shortest possible time, which is advantageous for employment, promotion and increasing remuneration.

James Cook University (JCU) is providing vocational pathways into JCU degrees from some Nationally accredited vocational courses and qualifications within discipline related Australian Training Packages. These pathways, known as AQF Vocational Qualification Credit Linkages apply for 1749 Cairns Beauty Academy Pty Ltd's courses and qualifications.

### What are Vocational Qualification Credit Linkages?

Credit linkages facilitate entry (admission) and/or credit for prior learning (advanced standing) into SCU degrees for any person holding one of the vocational courses or qualifications. Students can confidently articulate into the first or second year of a discipline related undergraduate or postgraduate degree with predetermined credit outcomes, no matter how the learning was obtained: face-to-face; on-campus; or online. If the JCU qualification is CRICOS registered, credit linkage arrangements are also applicable to international students who will study in Australia on a student visa.
